

MODEL 166, 172, 197, 204.0/2/3, 216, 221

MODEL 218

up to model year 2015

i The genuine Mercedes-Benz PARKTRONIC sensors were previously available as a replacement part in an unpainted state only. Owing to the increased demand, painted PARKTRONIC sensors in the following colors are also available with immediate effect:

- z Black (color code 9040)
- z Obsidian black (color code 9197)
- z Calcite white (color code 9650)
- z Iridium silver (color code 9775)
